50% reduction per child

*The area for your own tents is just outside the outdoor camp with our round tents and is shared with other camp guests*

### **CATERING**

The catering can be purchased on site in consultation with the team at a reasonable price in the community / cooking together or on an independent basis. Cooling your own groceries is currently not possible in refrigerators on site. This option will be available from the 2024 season after the construction of our house with infrastructure. That's why we get the groceries fresh in our nature camp in the nearby village. Optionally, we will organize the shopping together with our guests every day as a family according to their wishes and needs

Of course, a great option is to enjoy the local and very cheap cuisines in the nearby village or restaurants on the island

### **IMPORTANT INFO / OURDOOR NATURAL CAMPING**

The campsite has several terraces that are available as pitches. Divided into levels with shared yurts, overnight yurts and outdoor tents. We get our water on the neighboring site and in the village. A water connection where you can get water and fill it in large containers. Showers and toilets are installed according to outdoor nature life. There are also free shower facilities on the nearby beach. We also use compost toilets. In 10 minutes walk you are in the next village / water point. We bring fresh water to the camp for common use every day. The sea can be reached in about 10 minutes on foot

## **Property :**

Our area covers a total size of 11 HA of land with many grape vines and 45 olive trees. The campsites, community tents and private facilities are set up with enough distance that guests / volunteers and everyone involved in the community can enjoy their private space

## **IMPORTANT INFORMATION / ARRIVAL**

**The drinking water** is obtained from the neighboring village/neighbor and from a natural source

**Electricity** can be obtained from the restaurants in the nearby village. As soon as we have built the next infrastructure with a house with electricity, it can be purchased on site

There are facilities for those **arriving** by caravan or car on site on the access road to the site. It is the only access to get to our land and is therefore well suited for parking. After clarification with our team in advance, individual guests can also optionally stay overnight in campers on this area

**Arrival is possible by plane and by ship from Athens.** Cars / mobile homes can also be loaded with the ship, or as a longer variant as passengers. (about 10 hours)

**Flights from Athens** are possible with a small plane to the island of Kithira. In the season there are optional several planes per week. Flights from Athens are very cheap. Taxis or rental cars can therefore be arranged at the airport on the island of Kithira
